## HIS STORY

Jaxxon James grew up in Long Beach, California and never really left the coast - even after he moved to Los Angeles, which is just Long Beach with better lighting and worse parking.

He's thirty-two, six foot two, lean, tasselled dyed blond with sparkling green eyes. The kind of person who glides into a room on the balls of his feet and makes it look effortless. Leather jacket or board shorts depending on the day. Both work. That's the thing about Jaxxon - most things work on him and he knows it without making it a personality.

His father died when he was young. That's where the music started - in the car, listening, enjoying the sound together, then alone, trying to fill the vast emptiness his hero left behind. He valet parks and waits tables in Los Angeles because that's what you do when the catalogue isn't out yet and the rent doesn't care about your timeline. He calls his mother often. He is a good son.

The music is VibePhysics - grunge and alt-rock with gritty rap vocals sitting on a baritone frame. Everclear's edge, Nickelback's hook, Radiohead's unease underneath it all. He plays guitar - acoustic and electric - and can play keys but won't unless pushed.

He writes what he witnesses. That's the whole method.

Jaxxon James is APRA AMCOS registered and released through Seeker James Publishing.

Don't you fucking know

I'm here I'm now
I came to this life beforehand
Seeking seething living my life

I've stood I've fallen
Look at me I'm still here
Living my life jumping to and fro
Yeah yeah
Don't you fucking know

Who are you
Long black cape
Sickle I'm hand
Take heed
Yeah yeah
Return to your steed

Be gone with you foul demon
I'm still fucking here
You came after me when I was weak
You came after me when I was strong
I've stood I've fallen
Look at me I'm still here

I've stood I've fallen
Look at me I'm still here
Living my life jumping to and fro
Yeah yeah
Don't you fucking know

I've stood I've fallen
Look at me I'm still here
I've won our battles three times over
You forgot I've got a lucky clover
One day you'll get yours
You'll take me away
But by then it's on my terms
God dammit
I'll wear the cape I'll swing the scythe
You bring my horse and we will ride
Don't you fucking know
Yeah yeah
Don't you fucking know

Eternal screams forever lasting
This ain't a dream
Pain inside cutting deep
At the edge it creeps

See the man white coat in hand
A paper he gives you
It'll make you well
As you drift into hell

Misery defeat a lie they sell
It's hard to tell what is true
How can I still be this blue

Another trip for that paper
In the clinic I'm in the queue
All alone all alone
It's been such a while
I can't recall when it was
That I lost touch with my crew

See the man white coat in hand
A paper he gives you
It'll make you well
As you drift into hell

You take that drop
Waiting waiting here it goes
The hit takes shape
You're in it's throes

The muddy waters of my mind
You feel so good you are so kind
Removing the ache
We all know you're not here
To give just to take
Just to take

Misery defeat a lie they sell
It's hard to tell what is true
There's no way I am still this blue

By myself I gasp aloud
I know it's over so very over
The pains finally gone
On the floor
I see shades of grey
An outline a shape
Yeah I see you
Sickle in tow
Billowing cape

There I am one last breath
It's ok no one here for one last kiss
I let go into the shadow
The blackness overtaking me
I expel my life force with
One
Last
Breath

See the man white coat in hand
A paper he gives you
It'll make you well
As you drift into hell
Hell

The sounds in my mind
Calling out
Never kind
Bitter rind
Keeping me down
Keeping me down

I wanna be loud
To be heard
My stories told
Warm or Cold
Floating
The cloud of soot
The root my bane

Driving me insane

I don't care
I am who I will be
Nothing to hide
For you to see
Magics in the moment
Disappears in
The illusion of time

I wanna be loud
To be heard
My stories told
Warm or Cold
Floating
The cloud of soot
The root my bane
Never in my lane

Don't you know
Don't you know
What it's like to feel
To know that life
Is just a reel
Spinning motion
Light flickering
Against the backdrop

I wanna be loud
To be heard
My stories told
Floating
Dancing
Sweating Dripping
Sipping the heat
The root my bane
Pulling from the inane

We will all be gone
All that will be left
Is just my song
Just my song
Just my song
Just my song
Just my song
Just my song
Ohhhh yeah yeah
We will all be gone
All that will be left
Is just my song
Just my song
One more time

They say you're supposed to love me
A bond stronger than anything else
To hold me above all that is
Your inability your absence
It's all that I have

Mama where are you now
Ohhh yeah
Mama where are you now
Mama where are you now
Mmm hmmm oh oh yeah
Mama where are you now

When I needed a loving hug
You told me no no
No
My arms stretched out needing you
All I got was the vampire feeding
Feeding on me

Mama where are you now
Ohhh yeah
Mama where are you now
Mama where are you now
Mmm hmmm oh oh yeah
Mama where are you now

A cold hard man is what I am
In need of a mother's love
Never known never had

You Didn't want me Did you
You left me just just like always
You left me wanting

Mama where are you now

Dad where'd you go
You promised that
We'd be buddies to the end
Now that you're gone
I've lost the one man I'd thought
Would always be my friend

Your hugs were always the best
I'd never the rest
You showed me the love you never had
Given to you
I did the best I could
In the world we lived
To show you
That you were the dad
For me
I was one of three

We'd fight and scream
To get to that door
Greet you as you came
Back from those
Long days
Grinding away

I know you chose
The wrong woman
To be your wife
Being with her
Cost you everything
I need you to remember
That was our mom too
Our love for her was the kind
That doesn't get divided

No matter how she is
What she does
The love she doesn't show
When we are in need
She is still the one
The lady that brought us into this world
This world of pain
This world of pain
One without you

We needed you to make sure
Make sure she didn't
Do the things she did
You left us in the dark
One day gone
Saying it'd be ok yeah it'll be ok
It never was
No It never was

No in this world
This world of hurt
This world of pain
You gave us your name
Then walked away
Over 20 years it's been
Haven't seen you again
Not in that lense
The one we had
Chipped cracked and broken
Like the three of us
Living that lie

That you ever loved us
That all those hugs meant
Something
Gone are the days we hoped
You'd pull up
That enough was enough
And you'd be here
Once again
Safety is
Protecting us
In this world of pain
Instead of just giving us a name
And walking away
And walking away

Finally off work
Suit and tie
Jacket in the back
Tie loosened
Knowing that tall cold one
Is waiting for me

A long long drive
An hour each way
Every single day
Radio blaring
Not really caring
About anything

You never know
When your life will change
Yeah yeah never know
When those spinning wheels are gonna go
Yeah yeah never know
When all hell is gonna break loose
Yeah yeah never know

Cruisin down that highway
Up around the bend
I saw it happen
So fast
So very fast
Tossing turning pitching rolling

You never know
When your life will change
Yeah yeah never know
When those spinning wheels are gonna go
Yeah yeah never know
When all hell is gonna break loose
Yeah yeah never know

Will it ever stop
I wondered in awe
As it drops from the road
Rolling rolling rolling
No no no

Flames and smoke
Steel and smoke
End over end
How long can it go

You never know
When your life will change
Yeah yeah never know
When those spinning wheels are gonna go
Yeah yeah never know
When all hell is gonna break loose
Yeah yeah never know

Slamming my brakes
I jump out
I run and run and run

Site of impact
Fires out smoking plumes
Can't still be alive can it be
Were they? We will see
Rain had done its work

You never know
When your life will change
Yeah yeah never know
When those spinning wheels are gonna go
Yeah yeah never know
When all hell is gonna break loose
Yeah yeah never know

I take my leave
Incident seared
Time for that beer
Soaked and tattered
Suit is ruined
Just another day
They're breathing
Rest ain't on me

Swallowing
Swallowing
Drowning on me
Causing my own death

Catching
Catching
Catching my lost breath

Staring in the bathroom mirror
Into my eyes
A dark interior

Flesh turns pale
The final nail
Grasping my throat
Feeling it pulse in my hands
Skin turns blue
I was such a fool

Feeling faint
I can see the black
Tainted edges
Sight will be gone soon
Eyes down to a crack
I slide to the floor
Space and time
Gone forever more

Trying to breathe
Forgotten how
I know it's time
Time to leave

It's ok
It's ok

Thinking of my wife
The woman I chose
To spend my life
Coming home
She will find me
Dead
Cold
Her words will be
I told You soooo

I can no longer see
Hands too weak to hold my throat
Hearing gone
No last song
Please forgive me hun
Tell that to my son
I pray he doesn't find me
A horrible sight to see

You'll never know
My love
I tried to stay
But that reaper he's
He's
He's taking me away

I'm alive

Bashed Abused
What else
What else
Do I have to lose
Jump around
Jump around
Put that mother down
I am here to stay
You you I say
Are just in my way

Beaten Broken
Bashed Abused
What else
What else
Do I have to lose
On the war path
Yes I am
It is time
Taking the stand

I took the pill
Now I see
The lies and disgust
Thrown over to me
Give it up
Put it down
Shout out loud
HAND ME MY CROWN

I keep moving
I keep pushing
I keep going on
None of it seems right
A longing
Longing for a fight

Clean plate in hand
I go for seconds
Next to nothing
Left for me

As always
As always
So it shall be
Mmmmmm
Bouncing to
Mmmmmm
Landing nowhere

There's no place
No place left
For me to go
That's my existence
I planned to win
I tried I really did
Again
And again
And again

Forgive me the failure
That I was
Forgive me the failure

Some thing there for you

I tried I really did
Again

And again

Darkness in my heart
For the miss I made
Chasing the Light
That never stayed
One so far away

From whence I came
To where I go
You'll never see me
No never see
Me as that hero
Just a man
Head held low
In his battered hands
When will this end
It goes on
Day to day
Forever
Unto the end

## HIS STORY

BEFORE THE MUSIC, THERE WAS A CAREER THAT LOOKED NOTHING LIKE MUSIC BOARDROOMS, BALANCE SHEETS, STAFF ROSTERS STRETCHING ACROSS HUNDREDS OF PEOPLE. SEEKER JAMES SPENT YEARS OPERATING AT AN EXECUTIVE LEVEL ACROSS RETAIL, TECHNOLOGY, AND BANKING; THE KIND OF WORK THAT TEACHES YOU HOW SYSTEMS FAIL, HOW PEOPLE ACTUALLY BEHAVE UNDER PRESSURE, AND HOW TO MAKE A DECISION AND LIVE WITH IT GOOD OR BAD

NONE OF THAT IS WASTED. EVERY...SINGLE...BIT OF IT SHOWS IN THE DETAILS OF THE WORKS HE CREATES, THE ACTIONS HE TAKES TO MOVE SEEKER JAMES PUBLISHING FORWARD. AT SOME POINT THE CALCULUS CHANGED. TAKING THOSE DIFFICULT STEPS AWAY FROM THE DESK, HE TOOK AIM TOWARDS A DIFFERENT KIND OF OUTPUT, ONE WHERE LIFE EXPERIENCE IS THE MEASURE OF EVERYTHING GAINED AND LOST.
"THE HARDEST WORKING YEARS OF MY LIFE, AND THE EASIEST THING I HAVE EVER DONE."
THAT IS NOT A CONTRADICTION

THIS IS WHAT HAPPENS WHEN A PERSON FINALLY LANDS AT THE RIGHT PORT ON THIS JOURNEY CALLED "LIFE". SEEKER JAMES WRITES, PRODUCES, AND PUBLISHES FROM AUSTRALIA OPERATING UNDER HIS OWN LABEL, SEEKER JAMES PUBLISHING

WITH A CATALOGUE THAT CURRENTLY SPANS EIGHT DISTINCT ARTIST VESSELS, EACH WITH ITS OWN GENRE, PSYCHOLOGICAL ARCHITECTURE, AND LYRICAL IDENTITY: STONE JAMES, AMELIA JAMES, SCARY HARRY, HARRY JAMES, COLE HARDIN, JAXXON JAMES, MARLA O'LEERY, AND VICE. DIFFERENT VOICES, ONE SCULPTOR BEHIND ALL OF THEM. THE PERSONAL ARCHITECTURE MATTERS TOO. A LONG TIME AGO, WHEN HE WAS STILL LIVING IN THE UNITED STATES, SEEKER DECIDED HE NEEDED TO GO ON A SIDE QUEST HALF A WORLD AWAY. LITTLE DID HE KNOW AT THAT TIME IT WOULD BECOME HIS MAIN QUEST. HE WENT LOOKING FOR A GIRL HE HAD MET PREVIOUSLY. ONCE HE FOUND HER HE ASKED THAT SHE BE HIS WIFE, HIS LORE KEEPER, AND HIS PARTNER IN EVERY EXPERIENCE LIFE OFFERED. SERAPHIM JAMES HOLDS THE CANON. HER READ ON CREATIVE DECISIONS CARRIES WEIGHT. WHEN SHE SAYS SOMETHING IS GOOD, IT IS GREAT. WHEN SHE SAYS SOMETHING'S OFF, IT GOES BACK TO THE DESK.THE WORK BEING MADE NOW IS FOR WHAT COMES NEXT

BECAUSE THAT IS WHERE THIS WAS ALWAYS HEADED. EVERY NEW TECHNOLOGY MEETS ITS BACKLASH, AND THIS IS NO DIFFERENT, IT PASSES, IT CHANGES INTO SOMETHING NEW. WHAT REMAINS IS THE WORK ITSELF: REGISTERED, LOCKED, DATED, AND OPEN. NO SECRETS HERE. NO SHORTCUTS HIDDEN BEHIND THE CURTAIN. JUST A METHODOLOGY BUILT WITH CONVICTION, AND A BODY OF WORK THAT USES HIS SELF-COINED TERMINOLOGY "NEURAL RUPTURE SYNTAX" THAT WILL STILL BE STANDING LONG AND STRONG WHEN THE NOISE SETTLES.
SEEKER JAMES IS WITNESS ARCHITECTURE INCARNATE.
