I keep the books
I keep the door
I keep the girls
In line
I run this house in New Orleans
They call the Rising Sun
I extract that toll from every soul
When their deeds are done

My mother was a working girl
She taught me to count that till
My father was a gambling man
Who drank her wages on his hill
I was made to learn
The difference between want and need
Now I watch the sailors in line
Waiting to spend their seed

Every dollar
Every name
Every girl who walks that floor
Looking to take that man take their score

Way down in New Orleans
There is a house I run
They call the Rising Sun

Way down in New Orleans
The girls are sent the money flows
I answer to the man above
Who owns what no one knows

Way down in New Orleans
The girls are sent the money flows
I answer to the man above
Who owns what no one knows

The girls they call me madam dear
The men they call me by my name
I keep the sheets clean keep the peace
I keep the ledger just the same
The one who owns this house of sin
He sits above and watches me
He's fair but firm he won't abide
A fool who wastes his currency

Every dollar
Every name
Every girl who walks that floor
Looking to take that man take their score

Way down in New Orleans
There is a house I run
They call the Rising Sun

I am the door
I am the lock
I am the hand that turns the key
The girls are product
The men are coin
And the house belongs to he
I do not weep
I do not judge

I count the till and close the shade
Knowing one day my price will be paid
Way down in New Orleans
There is a house I run
They call the Rising Sun
Way down in New Orleans
The girls are sent the money flows
I answer to the man above
Who owns what no one knows

The till is full
The shade is drawn
The house still stands at dawn
And the man above he'll own their souls

Mmmmmm hmmmmmm
Ohhhhhhhhh mmmmmmm

There is a house in New Orleans
They call the Rising Sun
And it's been the ruin of many a poor girl
By God I know I'm one

My mother was a tailor
She sewed my new blue jeans
My father was a gamblin' man
Way Down
In New Orleans

The only thing a gambler needs
A suitcase a trunk
Only time he's satisfied
Is when he's drunk

Oh mother tell your children
Watch what I have done
I spend my life in blood and debt
Playing to
The House of the Rising Sun

One foot on the platform
Other on the train
Headin' back to New Orleans
Gotta wear
Wear that ball and chain

When you're lost
When you're alone
If you please
Give a thought
To this poor girl
Who sold her soul
In The House of The Rising Sun

There is a house in New Orleans
They call the Rising Sun
And it's been the ruin of many a poor girl
By God I know I'm one
Mmmmmm hmmmmmm
Ohhhhhhhhh mmmmmmm

There is a house in New Orleans
They call the Rising Sun
I play my upright at night
For everyone who comes

I watch them come through the front door
Straighten their clothes on the way out
I watch her walk down the hallway
With John's money in her mouth
I watch the men who cheat on their wives
I watch the girls who don't look up
I play the chords that make it beautiful
And I never play enough

My mother was a tailor
She sewed my new blue jeans
My father was a gamblin' man
Down in New Orleans
I learned to play before I learned to speak
I learned to watch before I learned to see
I learned to make the horror sound like music
And the music sound like me

The only thing a girl needs
Every night they're here
Drink in hand acting the man
Watching him stumble the stairs
Watching her count the bills

Playing my melody that drowns the sound
Of what he does in the rooms above

Watching the walls muffle the screams
Watching the floors catch the tears
Playing the song that makes it all disappear
In this House of the Rising Sun

Hearing the nightly moans
That muffled scream
Sounds that live in my keys
Paying and playing to this
House of The Rising Sun

There is a house in New Orleans
They call the Rising Sun
I play my upright at night
For everyone who comes

Oh oh oh oh
Yeah yeah yeah yeah

I'm in a room a room in New Orleans
He calls the Rising Sun
It's been made for me so I can let your demons free
In you in you in you they live
By God I know I've seen 'em

My mother was a tailor She'd taste those sailors in town pass in hand
When my father was out gamblin' man
Way Down In New Orleans

The only thing a gambler needs a suitcase a trunk
Only time he's satisfied
Is when he's beatin' those losses
That striped flesh I wear is the cost

Wearing their scars on my body
Wearing their scars on my soul
I spend my life in blood and debt
Covered in their mud tryin' to forget
Playing to The House of the Rising Sun

Standing in the room
Where I felt that beat that smack
That whip that lash
Straight in the middle of New Orleans
In that By God man
House of the Rising Sun

When you're hurtin'
When you're bleedin'
Remember that is the seed
To the poor man
Your son will be
Brought to you by The House of the Rising Sun

He calls the Rising Sun
It's been made for me so I can let your demons free
In you in you in you they live
By God I know I've seen 'em
Oh oh oh oh
Yeah yeah yeah yeah

There is a house in New Orleans
Some call the Rising Sun
And I know every step I take
Before the night is done

The pressure starts behind my eyes
That hum I cannot shake
Hands heavy on the wheel
My body has that ache
Tell myself drive on by
I tell myself I am through
But there is a woman in that house
Knowing what I need to do

A woman for a man in need
Tender touch upon the brow
Wallet lighter walking worn tread
I wear my shame I always came
That pressure breaks
Then it starts again
At that house in New Orleans
Some call the Rising Sun

Her fingers trace along my arm
Her breath against my neck
I don't love her n' she knows
Just the touch just the caress
Then I walk out that door

I know what I am
No one else to blame
I know the road I know the house
I know the Rising Sun by name
So I turn that wheel 'round drive back down
A woman for a man in need
Tender touch upon the brow
Wallet lighter walking worn tread
I wear my shame I always came
That pressure breaks
Then it starts again

A girl lives in a house
They call the Rising Sun
Givin' me what I need
Each time she moans my name

This girl this woman
Always in my head
Don't wanna leave her bed
Oh wow wow ow
I want to take her
I want her to be
Only mine

I visit that house in New Orleans
Lettin' her have her way
I pay the man I pay the fee
Dream'n she's uh-leavin'
With me with me with me

A girl lives in a house
They call the Rising Sun
Doin' things to me to them
While I wait while I watch
While I'm standin' right there
Oh oh no
Standing right there

Blood in head ought to be dead
Just a John someone to do
'Til that next guy comes in
Knowin' she'll see me again

He's uh-leavin' smile on that face
Mind's uh-reelin' I race to the room
Tellin' her she's the one that's leavin'
With me with me with me
She laughs she mocks
Tells me it'll never be
I'm just coin in her bag
That's all I'll ever have

A girl lives in a house
They call the Rising Sun
Doin' things to me to them
While I wait while I watch
While I'm standin' right there
Oh oh no
Standing right there

A girl lives in a house
They call the Rising Sun
Givin' me what I need
Each time she moans my name
It's a place way down in New Orleans
Where the man upstairs lets you use his girls
With your coin
With your soul
With your
He takes his fee

From the stoop
I watch a house in New Orleans
They call the Rising Sun
Hat pulled low eyes to the brim
As I watch him enter the den
Once again

Through the window I see
A laugh a cackle a silent jackal
Snatching her close hand on her curves
A look a leer Kissing an ear
I see I watch I always know

I watch this house in New Orleans
They call the Rising Sun
Where men go and play
Where money is spent for the deeds they do
Where night turns to day day turns to night
In this house that's called the Rising Sun

Told me to watch wait see
Told me she's married to a skunk
Told me he smells of her
Says she's done
Waiting on a man who won't stop

Where night turns to day day turns to night
In this house that's called the Rising Sun

A motion a commotion at the door
A woman an anger demanding attention
She wants her man she's not going to leave
Ladies inside smile from the window
Drawing the curtains nothing to see
As they earn their fee
I watch this house in New Orleans
They call the Rising Sun
Where men go and play
Where money is spent for the deeds they do
Where night turns to day day turns to night
In this house that's called the Rising Sun

Across the street I stand I watch
Another day another dollar
For me for them
For him
The man who owns
This House of The Rising Sun

House of the rising sun house of the rising sun house of the rising sun

I build the room before I know the name
I lay the floor before I hear the song
Something comes and tells me where to start
I follow along
Seeds in hand never knowin' where they land
I send them out and wait
Some find soil
Some find stone
Some find their way to a dead end road
House of the Rising Sun sun sun sun sun

I know the ones who know before I sow
I know the ones who come and won't sit still
They wait for me to make it real
Words arrive no rhyme no reason
Gotta follow the string till it starts to sing
I mix one thing with the things I know
I bring em into the room I never assume
And I let it sing
Rising Sun sun sun sun sun

I build the room
I make the place
I leave the door
I walk away
It's ready for you
To press play play play play
I'll never know
But I build it anyway
House of the rising sun sun sun sun sun

The rooms are for the ones who need a wall
That shows them back what they have never said
I don't give answers
I just build the room
And leave the thing instead
The vinyl smell in someone's hot car
The weight of what they did and didn't do
I press it into sound
And let it find
The ones it's meant to move
Rising sun sun sun sun sun

I build the room
I make the place
I leave the door
I walk away
Press play play play play
If it fits the thing you carry
I'll never know
But I build it anyway
Anyway anyway anyway

The House of The Rising Sun The House of The Rising Sun

I know you're going to visit
Something you seen
Something you did
Something sits
Heavy on the bone
I'll be here when you come out
Building the next room
Sending out the next seed
Into whatever world it finds
That's all this is
That's all this ever was
Me n' you me n' you you you you you
House of the rising sun house of the rising sun

HIS STORY

Before the music, there was a career that looked nothing like music boardrooms, balance sheets, staff rosters stretching across hundreds of people. Seeker James spent years operating at an executive level across retail, technology, and banking; the kind of work that teaches you how systems fail, how people actually behave under pressure, and how to make a decision and live with it good or bad

none of that is wasted. Every...single...bit of it shows in the details of the works he creates, the actions he takes to move Seeker James Publishing forward. At some point the calculus changed. Taking those difficult steps away from the desk, he took aim towards a different kind of output, one where life experience is the measure of everything gained and lost.
"The hardest working years of my life, and the easiest thing I have ever done."
That is not a contradiction

this is what happens when a person finally lands at the right port on this journey called "life". Seeker James writes, produces, and publishes from Australia operating under his own label, Seeker James Publishing

with a catalogue that currently spans eight distinct artist vessels, each with its own genre, psychological architecture, and lyrical identity: Stone James, Amelia James, Scary Harry, Harry James, Cole Hardin, Jaxxon James, Marla O'Leery, and VICE. Different voices, one sculptor behind all of them. The personal architecture matters too. A long time ago, when he was still living in the United States, Seeker decided he needed to go on a side quest half a world away. Little did he know at that time it would become his main quest. He went looking for a girl he had met previously. Once he found her he asked that she be his wife, his lore keeper, and his partner in every experience life offered. Seraphim James holds the canon. Her read on creative decisions carries weight. When she says something is good, it is great. When she says something's off, it goes back to the desk.The work being made now is for what comes next

because that is where this was always headed. Every new technology meets its backlash, and this is no different, it passes, it changes into something new. What remains is the work itself: registered, locked, dated, and open. No secrets here. No shortcuts hidden behind the curtain. Just a methodology built with conviction, and a body of work that uses his self-coined terminology "Neural Rupture Syntax" that will still be standing long and strong when the noise settles.

Seeker James is Witness Architecture incarnate
